- Upload Images & Videos (multiple files can be uploaded).
- Details of Emergency:
 - Total Cost Estimates (as provided by the concerned department).
 - Estimate Breakdown (as provided by the concerned department).
 - Minutes of Meeting (of District Disaster Management Authority/Committee).

6. Save as Draft OR Publish

Note:

- Login credentials are set to default MIS ID/Password and same are available with all focal persons of respective District Administrations. In case, system developers can be contacted for assistance.
- In case the details are published, no further changes can be made as subject emergency will be forwarded to the competent forum for further consideration and approval.
- In case the details are saved as a draft, the system will redirect to dashboard where subject emergency details can be edited, deleted or published, as required.
- As the system is newly developed, details regarding Districts (Subdivision, Tehsil, UC/MC etc.) can be incorrect. In this case, following system developers at PMRU can be reached to add/correct relevant details:

Mr. Sharafat Ali

IT Product Developer 0312-5408708

Mr. Ehsan Karim DD PMRU 0342-9444348
